

## **NUMEROLOGICAL EXPLANATION**

**Name: Mata Hari**

Date: 7.8.1876

### **Root number: 1**

The person with Life Path 1 is creative, inventive, longing for authority, power and fame in any sphere. Strong, wilful and stubborn personality, which for due dynamic energy use to be motor of any activity. Appearance to his/her more egocentric thinking is possible. He/she consider (and find) himself-herself for centre of attraction or head of company and when it is not accepted by surroundings, may sense of loneliness come to him/her. Almost always this human being lives on sunny-side of life and almost always succeed everything to him/her more than to others.

The intrinsic energy of Number 1 means that when they are giving and being creative, they are feeling O.K. , but when they are being selfish and arrogant, it means they are not at peace with themselves. Some number one people suffer setbacks, dissappointments, failures and suffer from depression until they complement important lesson of giving and receiving, loving and helping others.
